REFLECTION COMPASSION EDUCATION

### Our Mission

Educating, Enriching and  
Enlightening Today's World to  
Honor the Sanctity of Human Life

PROLIFE? PROCHOICE?  
Come find out the facts.

Claire's Hope is one of a kind - the only place to our knowledge like it. This former abortion clinic has been redone - the doors have been removed - to show what it was like. Now it is an educational facility about abortion. It is a place with a darkened past and a shining future.

# SPL

**STRONG. PURE. LOVELY.**

*"Unlocking the potential in young women through serving others and celebrating life."*

SPL is 6th graders through seniors in high school. They celebrate life by giving back to their community.

## PERSONAL & GROUP TOURS

We are currently booking tours for your group. Public and private schools, civic organizations, youth groups, clubs, Sunday School classes and other organizations are invited to tour Claire's Hope to learn medical facts and local history about our facility. It's a free field trip that is life-changing.
